

# Guest Wireless

Faculty and Staff offices that need WIFI credentials for guests should [contact IT Support Services via the helpdesk](#).

If your office regularly creates credentials for guests, please contact IT Support Services and we can assist you with this new process.

- [Instructions for Guests](#)
- [Creating Guest Credentials \(Employees Only\)](#)

## Instructions for Guests

Campus Guests needing WIFI access should contact the office sponsoring their visit first, but may also reach out directly to IT Support Services.

Campus Guests should use the **NORTHPARK-PSK** WIFI network

Welcome to North Park University!

- Connect to the **NORTHPARK-PSK** wireless network.
- You will be prompted to enter a password.
- You are now connected to the network.

All network usage is subject to the [North Park Acceptable Use Policy](#)

## Creating Guest Credentials (Employees Only)

Please see the instructions for [Creating Guest WIFI Credentials](#).
