Connecting to WiFi

All current North Park students, faculty, and staff have access to the University high-speed internet.

For most devices, please use your current username and password to connect to the **NORTHPARK** WiFi network.

Many different types of devices are capable of connecting to WiFi and we attempt to make it accessible to as many as possible. IT provides instructions for a variety of devices:

Summer 2020 Wireless Changes

Information Technology completed an extensive update to the campus WiFi in Summer 2020. This included replacing the physical WiFi Access Points all over campus.

The new network name for all Students, Faculty, and Staff is named NORTHPARK

This new network replaced both NPU-EMPLOYEES and NPU-STUDENTS.
